d. A new method of listing char force and service personnel was established consisting of IBM card file listings. The new listing is sent to each Agency building utilizing private cleaning companies and service personnel. This replaces the previous system of typed listings which involved considerable amount of time and effort to maintain a current updated listing.

e. The R&S Building has been completely vacated and a final security shakedown was conducted. This concludes the removal of Agency offices from all temporary buildings in the Potomac Park area.

f. Efforts to develop a technique to protect personnel from flying glass resulting from terrorist generated explosions continue under contract with [REDACTED] under the auspices of [REDACTED] Representatives of the Physical Security
